- **How to Think Privacy** - How to think about privacy in your day-to-day activities?

What kind of plans are we offering?

A

We have three plans:

- **Grande (up to 50 employees)**: Basic privacy training (12 modules) with interactive content. The final report will be delivered within 7 days.
- **The Lot (more than 50 employees)**: Basic privacy training (12 modules) with interactive content. The final report will be delivered within 7 days.
- **Make Me One With Everything**: Privacy training with adjustable content, branding and customization options, department/sector-specific course creation, and 2 team leaders.

Pricing:

- **Grande** - 1,000\$ + VAT
- **The Lot** - 2,000\$ + VAT
- **Make Me One With Everything** - Pricing depends on the needed adjustments and requested content

How long does it take to complete the training?

A

Each model takes around 2-5 minutes to complete and the entire training takes 20-25 minutes.

Where can I find the Terms of Service / the Order Form?

A

You can find the Terms of Service [here](#) and the Order Form [here](#).

Is that possible to try the service first?
Do you offer Demo accounts / Demo training?

A

Yes - we can create a demo account for a client (access to 2-3 videos)
There's also the demo video on our [website](#).

Is it possible to change the content / add courses / add branding?

A

Yes, but that's exclusive to the "Make Me One With Everything" plan.

What are "Team Leaders" and who gets them?

A

Team leaders are users with admin access to employees' progress and reports. They can make bulk imports of new user accounts by themselves and export report sheets at their discretion, at any time. Currently, Team Leader accounts only exist under the "Make Me One With Everything" plan.

How many employees can be enrolled?

A

Grande - up to 50 employees
The Lot & Make Me One With Everything - Unlimited
